"Where Dreams Take Root and Bloom"

Bloomz International School has always felt like a place where learning meets nature. Surrounded by greenery, fresh air, and a cheerful atmosphere, every day on campus felt like a new adventure. It wasn't just a school – it was a space that sparked curiosity, creativity, and a genuine love for learning.

The teachers at Bloomz have been more than educators. Their kindness, patience, and constant encouragement made learning meaningful and joyful. Their guidance helped me dream big, believe in myself, and strive for excellence.

Beyond academics, Bloomz offered countless opportunities to grow through sports, art, music, and competitions, helping me discover talents I never knew I had. These experiences taught me that success is not just about marks, but also confidence, creativity, and resilience.

The annual functions, cultural celebrations, and school events added colour and energy to school life, creating memories I will always cherish.

Through every high and low, my BIS family supported me at every step. Bloomz International School has been more than a place of study – it has been my second home, my second family, and the canvas of my most beautiful memories.

Shipra Hegde
2024-25

Looking back, my 12 years at BIS have been truly remarkable. From a nervous young child to a confident teenager, BIS has been my guiding light and second home. It is where I discovered myself, built lifelong friendships, and created memories I will always cherish.

My teachers were my greatest support, encouraging me to face challenges and keep moving forward. I'll always remember the joy of annual day practices, sports week, competitions, school trips, assemblies, and even the nervousness before exams – each moment teaching me teamwork, hard work, and consistency.

Becoming the Head Girl was a turning point, teaching me responsibility, integrity, and patience. It showed me that school is not just about marks, but about growing as a person and embracing every opportunity.

I am grateful to my teachers, friends, seniors, and juniors for being part of this beautiful journey.

Thank you, BIS, for shaping who I am today.
